

Dauphin & District Allied Arts Council has over 50 years of history in presenting and promoting arts to the community. Our priorities are to restore the Watson Art Centre, our provincially designated heritage building, and to provide quality and diverse arts and culture programming to the public. The development of the Arts Legacy Fund is a continuation of the visionary history of the arts council, who banded together 50 years ago to save the building and foster the arts in Dauphin and area. We offer our sincere gratitude for your support.

DAUPHIN & DISTRICT **ARTS LEGACY FUND**

The Dauphin and District Allied Arts Council accepts donations at any time for funding on going projects taking place at the Watson Art Centre. We also recruit volunteers to give their time and effort in making our programs a wonderful experience for the community.

BACKGROUND

In September 2002 the Dauphin and District Allied Arts Council passed a motion to create a legacy. The Dauphin and District Allied Arts Council accepts donations at any time for funding on going projects taking place at the Watson Art Centre.

HOW THE FUND WORKS

Our Arts Legacy Fund is administered by the Dauphin and District Community Foundation (DDCF), as trustee. Contributions to this fund are invested by the DDCF in a safe manner to preserve capital and generate income each year.

The DDAAC will ensure this income is used to support, promote and enhance the arts, as well as our programming and the Watson Arts Centre heritage building.

Further information about the DDCF can be found on their website, dauphincommunityfoundation.ca.
