

Make a Difference

The Dauphin and District Allied Arts Council Inc. (DDAAC) is a registered charitable organization, relying on funding from numerous sources for building upkeep and arts-related programming.

"Your donations will support, promote, and further enhance the arts in Dauphin and surrounding area." ~ Cam Bennet, president DDAAC

Direct Donations

There are many plans at the Watson which require the constant challenge to source funds.

Currently the DDAAC is raising money to improve the Johnston & Co. Auditorium. After the replacement of the wood flooring, we have planned several renovations, such as:

- Accessibility
- Installing new stage flooring and storage,
- LED lighting,
- An auditorium sound system,
- A custodian cabinet and,
- Purchasing new stacking chairs with clips.

Opportunities For Giving

Cash Gifts

This is the most common charitable contribution. A cash gift may be given now and a tax receipt will be issued to benefit you in this or in future tax years.

Bequests

These are gifts made in a will. This type of gift may include cash, securities or property. Bequests may also generate a tax credit for your estate.

Life Insurance

A gift of life insurance allows you to make a large gift in the future by paying smaller amounts over time.

Multi-year pledge

You may make an initial contribution and a commitment to add to the initial donation over a period of years.

Other Areas of Support

The DDAAC has an ongoing list of projects to complete. Your donation may help us with:

- Balcony seating replacement,
- Additional office space,
- Building a bar in the Fire Hall,
- Acoustic improvements to the Fire Hall,
- Purchasing a database program specific to art collections,
- Photographing and cataloguing our art collection,
- Installing proper shelving for our art collection.

A tax deductible donation may also be used as needed, at the discretion of the DDAAC.

Other plans at the Watson include completing the front entrance revitalization that began in 2010, along with a new wheelchair ramp. Exterior improvements involve a storage shed, and completion of landscaping.
